

## EXECUTIVE BOARD CONFERENCE CALL

Saturday – March 05, 2016

Present: Bruce Gros, Ron Trusley, David Hill, Guy Puglisi, Rob Somers, Barbara Bugg

Absent: Jason Bernard, Franklin Thompson

### Call to Order

President Gros called the meeting to order at 4:01 pm MST.

Bruce stated that the purpose of the call is to determine standards and participation for the Rough Stock Riding Progressive Prize Pool. An association may choose to participate and IGRA will match \$250 paid by the association for each event (Bulls, Broncs, Steers) each day for men and women. Money will be paid to 4 places each day using same percentages used by IGRA.

Rob Somers moved that an association does not have to offer bronc riding, but if offered, animals must be available. Barbara seconded the motion. Motion carried.

David moved, Rob seconded, and motion carried to adopt standards as follows

- Associations must pay their share of the money to IGRA at least 90 days in advance of the rodeo
- Association must agree to honor each sponsorship equally – promote in print and on their website, use of logos, and announcements at rodeo
- Association must advertise how much the prize money will be as of the date it is announced and with the statement that the amount is subject to change based on participation

If there are any IGRA sponsors, we must ensure they know the rough stock riding sponsorships are exclusive only for the particular event.

Guy moved that the 90-day requirement to pay money to IGRA is waived for the Texas and Palm Springs Rodeos, but they must notify IGRA by the beginning of on-line registration if they choose to participate. David seconded the motion. Motion carried.

### Adjourn

The meeting was adjourned at 4:57 pm MST.
